

**SBMC
2018**

7th Conference on Systems Biology of Mammalian Cells

Bremen, July 4 – 6, 2018

THE POWER OF SYSTEMS MEDICINE

The overarching integrating power of computational modelling, from systems biology to systems medicine

CONFIRMED SPEAKERS

Jan Boren
University of Gothenburg

Bindi Brook
University of Nottingham

Tammo Delhaas
University of Maastricht

Shalev Itzkovitz
Weizmann Institute

Ken Lau
Vanderbilt University Medical Center

Adil Mardinoglu
Chalmers University of Technology

Sylvia Plevritis
Stanford School of Medicine

Nasir Rajpoot
University of Warwick

Silvia Santos
The Francis Crick Institute

Katrin Thediek
University of Oldenburg

Hiroki Ueda
RIKEN Institute of Physical
and Chemical Research

Irene Vignon-Clementel
INRIA Paris

VENUE

Jacobs University Bremen
Germany
